ers, by schimminy grashus."

If a maiden's word means aught, they say,
The opposite sense is in it;
So Reuben linds in her "Go awayt"
A "just cont in a infoute."
"I hope," says he, "I may make so free,"
With a grin and a nervous statter.
"My answer should be to year cars," says she,
"If I could int leave the outler."
His arm on the shelf that holds the delf,
He looks across the dairy:
"Shall I go to her side? Shall I dare her pride?"
"O, go away!" says, Mary.

He takes the hint and he takes a kiss.

With feare add-inweel gricking:
She does not take what he takes amisa.

Nor seem in an awfut taking.

Sweet kisses the Lakes so load and fast.

That he I akes by breath completely.

He takes her light in his arias at last.

And still she takes it sweetly!

The human face is admirably adapted cause she couldn't do anything for him.

MANHOOD How Lost, How Restored!

Just published, a new celtion of Dr. Culver-well's Celebrated Essay on the radical cur-of Speamaronance, or Seminal Weakness, Involwell's Celebrated Essay in the radical curved Spranatorrhole. It Seminal Weakness, Involvinary Seminal Losses, Involvinary Seminal Prits, Induced by self-induspence or sexual extravagance, & etc..

The relebrated author, in this admirable Essay, clearly demonstrates, from a thirty years' successful practice, that the starning consequences of self-abuse may be radically cureft, polnting out a mode of rure at once simple, certain, and effectual, by means of which every sufferer, no matter what his condition may be, may cire himself cheaply, privately, and radically.
